ABOUT SPECTO TILES

We are Specto Tiles, The creators of spectacular tiles to Adorn Homes, Offices, Hotels and many grand constructions across the world. Located at Morbi, India. Nobel Group has been in action since 50 years with a great brand value developed by Creating Shapes, Culture and values that emphasize our market preference and impression of being dependable.

With excellent machinery most of it Imported from countries like Italy and Spain. The tiles that we make have a Global Impression. Just to name it, our 8 color digital printing machine is empowered to give you any design you can imagine. That includes golden stripes if you prefer. With a number of indigenous machines and raw material of the best quality, We produce and deliver tiles that last a life time. Our trained and experienced manpower makes sure the quality levels in manufacturing are of the highest order, which has also resulted in our ISO 9001:2015 certification.

Our Digital Wall Tiles & Floor Tiles are available in size of 25x75cm, 30x45cm, 30x60cm and 30x30cm High Depth, Nano | GVT | PGVT 60x60cm and 60x120cm, giving you a wide variety to choose from. With a number of finishes and designs crafted by our design team, you can embellish a wall in any imaginable way you want with our tiles. your rooms with Specto Tiles will resemble a single stone construction of high repute.

JOURNEY TO SUCCESS

The NOBEL group commenced it's journey in entrepreneurship with humble beginnings. From manufacturing Mosaic Tiles and then moving onto Sanitary ware production was a huge leap of faith. We were also in business of refractory Pebbles and Lining, Ceramic Glass Frit. Our team has successfully worked in producing and delivering High Quality Stone Tiles. With Specto Tiles. We have yet another feather in our cap of successful achievements.

MISSION

Innovation becomes not merely an aim but the underlying motor of a new strategy, a unifying principle that brings together the most change-oriented forces both inside and outside firms. New lifestyles demand new products. Fresh priorities, such as those of the environment inside and outside homes, offices and public buildings, lead to the updating of the models for use of materials."

VISION

Company stands on a base of strong & sustainable trade networks. Networks which made through good relation by giving satisfied service & fine quality. The strong network will become backbone taking the Specto Tiles to every corner of the country as well as globally. We ensure you that your business endeavor will be on the highest peak when you attach with Specto. Here Specto Digital Wall Tiles are While application on the walls, they will appear joint free. It will look as If your walls are just one piece some special stone that god build especially for your dream home.

CORPORATE PHILOSOPHY

We are here to serve to the dreams of many. We are here to make sure the walls you see everyday motivate you, make you happy and effuse positivity in daily lives of people. Guided by this philosophy, we create spectacular tiles reiterating our brand promise of Specto to make sure you get the best design tiles delivered to your doorstep with a commitment to last a life time.
